

Rob Christopher Atalla

**CAREER SUMMARY** A driven and tech-savvy software developer with nearly a decade of marketing experience, and a certificate in full stack web development from the University of Kansas. In addition to being teachable, personable, and facilitative, has organically sourced hundreds of clients, maintained thousands of vendor relationships, negotiated multi-million dollar contracts, and continuously managed a profitable P&L. Most noteworthy accomplishments are making people smile and being a great cook.

-----------------	--

- Managed a team consisting of two front end developers, and two back end developers.
- Prepared and analyzed all requirements and necessary documentation.
- Created mockup using Figma.
- Designed workflow model and established timelines.
- Conducted daily standup meetings - reconciled current progress with timeline goals, user story and mockup, then adjusted workflow accordingly.
- Primarily worked on HTML, CSS, JavaScript, and Handlebars, assisted back end developers when needed.

---

## EXPERIENCE

### BUSINESS DEVELOPMENT MANAGER

**Western Logistics Express | North Kansas City, MO |**

**Apr 2021 - Sept 2021**

- Successfully negotiated contracts with NAPCO Precast for 2,600 shipments over six months with margin yield of \$520,000, and \$3M top-line revenue.
- Created relationships within client organizations through cold calling, network lead prospecting, and email campaigns.
- Analyzed market data and trends to develop customer pricing.
- Creatively sourced and managed vendors.
- Served effectively as sales coach and accountability partner for new hires.

### ACCOUNT EXECUTIVE

**Freightquote / C.H. Robinson | Kansas City, MO |**

**May 2014 - Apr 2021**

- Seized single-source opportunities through leveraging proprietary enterprise SaaS solutions. (Enterprise TMS and Freightview).
- Produced over \$1M in gross margin by moving over 1000 truckloads for Spears Manufacturing, making them a division top-ten account.
- Demonstrated ability to negotiate resources and priorities with multiple stakeholders in order to drive business results.
- Successfully scaled client book to over 100 active accounts.
- Oversaw completion of day-to-day customer commitments, also maintained service levels through use of metrics and analytics.
